Gayety of Bathers Shocked When One of Number Sinks to Her Doom

YOUNG LADY LOSES LIFE BY DROWNING

Margaret Turnbull, 14 Years Old, of Monongahela, Is Drowned Last Night While Bathing At Ninth St. Beach, Monongahela

BODY IS NOT RECOVERED

Girl, One of 300 People, Bathing At Beach—No One Saw Her Sink—Believed She Stepped In Hole Made By Dredge—Still Searching For Body

Monongahela folk and particularly the 300 who were her companions in the sport incident to bathing in the river last night, are depressed; there is a home burdened with sorrow by the loss of a daughter, in the drowning of Miss Margaret Turnbull, 14 years old, daughter of Mr. and Mrs. Arthur Turnbull of Eleventh street, Monongahela, who sank to her doom last evening at 8 o'clock while bathing at the Ninth Street beach, Monongahela. Divers and friends of the girl searched all night for the body, and at the latest advices this forenoon the body had not been recovered. It is thought it is engulfed in the muddy bottom of the river.

None saw her go down. The United States Dredge Beacon had been working at the beach yesterday, and the opinion is held that the young lady stepped into a hole made by the dredge. Search was made for the girl when she was missed.

There survive her parents, a brother and a sister.

SITUATION IN THE POSTAL STRIKE

Montreal, Que., June 20.—The Dominion wide postal strike seems to have met greatest success in the provinces of Ontario and Quebec, the two largest cities in the Dominion—Toronto and Montreal—being hardest.

Reports from the western and Maritime provinces today indicated the men are remaining at their posts.

Halifax, N. S., and St. John, N. B., important ocean mail ports, report the postal workers remaining loyal to the government and no tie-up occurred.

In Moncton, New Brunswick, an important railway center, employees went out but returned after a few hours and the congestion of mails was cleared up before last midnight.

Quebec City employees are at work but several of the railway mail service men are out. No serious delay is reported.

In Montreal a serious congestion has occurred and 200 postal workers on duty are unable to handle the large volume of mail addressed in French boards after the workers have gone, and English Letter carriers are out on strike.

LOCAL PASTOR IS HIGHLY HONORED

The important feature of the closing session of the convention of the Slovak Evangelical Lutheran Zion Synod of the United Lutheran church in America, which has been held for the past three days in the Slovak Lutheran church of St. John the Baptist at Seventh street and Lincoln avenue, was the election of officers for the ensuing year. Those honored were as follows:

MUCH DAMAGE IS DONE WHEN TRUCK UPSETS

Considerable damage was done yesterday morning to a five-ton Brockway gasoline tank, the property of the A. D. Miller, gasoline Company, Pittsburgh, when driver of the machine lost control of the steering apparatus causing it to turn over a 5-foot embankment three times and come to a stop at the bottom of the hillside along the Pittsburgh-Library highway, near Fair Haven.

The driver and helper on the truck were injured slightly by flying glass and required the attention of a physician. Fifteen hundred gallons of gasoline were lost when the tank split as it rolled down the embankment. The driver and helper jumped from the car as it went over the bank and thus saved themselves from imminent fatal injuries. The truck was practically demolished.

WIFE OF KANSAS U. S. SENATOR DIES TODAY

Washington, June 20.—Mrs. Charles C. Curtis, wife of the Senator from Kansas, died today.

SONG RECITAL

Mrs. A. G. Lewis of Meadow avenue, will present her pupils in the High School Auditorium, Friday evening, June 20th, at 8 o'clock. Mrs. Lewis will be assisted by Miss Alice Peach, pianist, an artist who needs no introduction to the people of Charleroi. The public is invited. Admission Free.

to a man and no deliveries were made Thursday or this morning. Lock boxes were not filled and many of the C. O. D. insurance and other wickets were closed. Police surrounded the general post office.

Telegraph companies reported crowded wires. Employees were kept late last night to handle the overflow of messages.

At Hamilton, Ont., workers asked to be taken back and little congestion was reported this morning.

In Toronto, headquarters of the Canadian Federation of postal employees, 200 strikebreakers were taken on and the mail was being moved.

The men have asked to be placed under the industrial disputes act and want a government board to investigate their demand for higher wages.

This request may be met with refusal as it is not customary to appoint volume of mail addressed in French boards after the workers have gone, and English Letter carriers are out on strike.

Banks Of County For Tax Collection

County Treasurer J. E. Masters has arranged for the collection of taxes through the various banks of the county as has been the custom for some years past, and has forwarded that will thus represent him in collecting the taxes due. This is a great convenience to the people of the county as it enables them to make tax payments at a point that is easily reached and avoids the necessity of a trip to the county seat for that purpose. County taxes are now due and payable and an abatement of 5 per cent is allowed if payment is made promptly.

CITIZEN MUST PAY HIS TAXES

John Garton, a Monongahela citizen, is said to have refused to pay his taxes. He was in the county jail, where he will be held until such time as the taxes, with additional costs, are paid.

One Gullio Trucchi, of the same city, was a case similar, but friends came to his rescue.

LIEUT. MAUGHAN IN A RECORD FLIGHT TOMORROW

Mitchel Field, N. Y., June 20.—Tomorrow, the longest day of the year, probably will find Lieut. Russell L. Maughan winging across the continent in an attempt to fly from here to San Francisco between dawn and darkness.

Maughan was all set to hop off this morning but called off the flight at 3:36 a. m., after having donned his goggles, because the radiator of his engine showed tendency to overheat. Unless weather interferes Maughan will leave here at 2:22 a. m., eastern standard time Saturday and expects to arrive in San Francisco 19 hours and 19 minutes later.

RELIGIOUS ISSUE BEING CAST UP AT CONVENTION

New York, June 20.—The religious issue which for some weeks has been simmering under the surface of Democratic pro-union politics, is now being cast up.

Party leaders, who have joined in agitating the Klan issue more to make a little political medicine than anything else, now are somewhat disturbed lest it defeat its own ends, react unfavorably on certain candidates the leaders support and create great difficulty for the party.

There is no doubt the Klan question has been flung in the face of the McAdoo forces to help subdue, if possible, the superb confidence that saturates the atmosphere about the Vanderbilt Hotel.

GIVING OF BLOOD TO SAVE A LIFE

Philadelphia, June 20.—Benevolence is one of the characteristics of Uncle Sam's fighting marines and when a radio appeal was made here asking for a blood donor to save the life of Mrs. Mary McMillan, 31, thirty devil dogs called at the Howard hospital to offer a pint of blood.

Joseph T. Murray was selected for the transfusion. The operation which will mean life or death for the woman, will be performed this afternoon. Mrs. McMillan is suffering from heart trouble and only recently Walter Speese, another marine, and Murray's "buddy" gave a pint of blood to her.

Claimed Man Is Deserter-- May Be Deported

Jastinto Enrignes, age about 25 years, a Spaniard, who applied for lodging at the local police station, and having papers on his person that made his case look suspicious, is being held by Chief of Police James A. Murphy, will probably be taken to Pittsburgh today or tomorrow.

Mr. Murphy said this morning that it is alleged that Enrignes deserted from a Spanish ship in New York port; that he evaded the immigration officers in Gotham, and that his entry into this country is illegal. The man will be turned over to the immigration officers of Pittsburgh, and his case will be considered by the Spanish consul. It is said that Enrignes will be deported.

WOMAN'S SYMPATHY NEARLY COSTS HER HER LIFE

To help people in trouble," remarked Mrs. Marie Wooster, 23, apropos of having paid the nickel that admitted a slinking youth who had begged his fare.

Two minutes later the youth had formed into the path of a moving train, according to eye witnesses, where he snatched at her pocketbook.

The train was stopped after two cars had passed over the injured woman's prostrate body, and the youth, Victor Misuraca, 18, was felled by a blow from a parolman's club as he fled from rough treatment at the hands of an outraged crowd. He had failed to get the pocketbook. Mrs. Wooster will recover.

BALL PLAYER MAY HAVE KILLED WIFE

Pittsburgh, June 20.—With head almost severed from her body, Mrs. Jacob Goebert, was found in a pool of blood in a rooming house on the Northside by police today.

A search is being made of Pittsburgh and vicinity for the woman's house shortly before noon. His clothes were smeared with blood. Drops of blood marked the trail which led from the sidewalk on the front steps of the house through the hall and upstairs, where the body was found.

Goebert had a reputation as a baseball player, having played in a semi-professional team on such semi-professional teams as Vandergriff, Ford City, Verona.

Goebert was attending his elementary education in a different school. The boy's father asked for a moratorium, which was granted by the judge.

BELLEVUE AGAIN SCORES TRIUMPH BY BATTING PITCHER REILLY HARD

Continuing at the dizzy pace they have been traveling all season, Bellevue turned in a 12 to 4 triumph over the Charleroi Independents at Bellevue last night. Charleroi was able to tally three times in the ninth inning to keep the game from looking like a walkaway.

Eddie Besterman hurled a fine article of ball, and was ably abetted by the heavy hitting of Lee Cook, McElroy, Joe Swentonic, Lees and two safe blows of his own making. Smith and W. Phillips both had doubts for defeated.

Manager D. Cleve Mathers had a new second baseman, Brian, and he performed magnificently. Latrion also showed to good advantage after he relieved Reilly.

WRIGHT SHOWS RUTH HOW TO HIT HOMER IN TORONTO CONTEST

McKechnie's Buccaneers may not occupy as exalted a position in the baseball world as the New York Yankees, but they demonstrated to the satisfaction of 8,000 Toronto fans and several hundred Rotarians from all parts of the world who are in convention, that they do not have to take a back seat for their American League rivals by winning from the world's champions, 2 to 1. The Pirates chances did not look very bright until the eighth when with the Gothamites leading 1 to 0 Wright, the sensational shortstop, whose fielding had been resplendent throughout, branched out in another role, that of a slugger, and drove a fast one into the right field bleachers in the teeth of a heavy gale, for a home run. Cuyler was on base at the time by virtue of a scratch hit and the blow was sufficient to win the exhibition.

TRESERS WIN

EASILY FROM WEST NEWTON Stewart, the Tresers ace, won from West Newton last night 9-2. The only West Newton player that fathomed his delivery was Peake. The Tresers batted both Westwick and High, hard.

NEWS SUPPRESSION.

It is quite remarkable the experiences which confront the newspaper man who is asked—invoked—to suppress the news when men and women, and even boys and girls of years of understanding, knowingly, become involved in trouble, causing their arrest.

The publisher is asked to "keep it out of the paper," account of family connections, or other reason, and he usually complies with the request. On the other hand, he is presumed to "know enough" to withhold publication. If he does follow out his prerogatives and gives the public the news to which they are entitled by virtue of their being subscribers or buying the journal from the newsstand, or otherwise, he is an "ignoramus."

In the case, particularly, of the protection of people who steal or commit crimes that make them amenable to the law, suppression of the facts sets a bad precedent, in that it encourages violation of the law. The problem of what to print, and what not to publish, to keep the home newspaper in the good graces of the people where it circulates, is one of the perplexities of the publishers of papers in the small and average-sized towns of the community where-in they circulate.

Maybe the reason Gen. Dawes got along so well in Europe was that the administration had nothing to do with his mission.

If the Japanese get too huffy, we might punish them by stopping sending over missionaries to convert them.

Wife Regretted Giving Old Letter to Spouse

The man's mother had given the man's wife a love letter which she found hidden away in a mass of old papers it had been written to the man when he was a boy and the writer was his sweetheart, aged fifteen years. The man's mother laughed when she handed it to the man's wife, and the man's wife laughed when she handed it to the man.

But the man did not laugh. "Aha," said the wife in her merry way, "see how the past rises up against you."

The man took the letter and slowly unfolded it and softly read it aloud: "Dearest boy," he read, "I'm afraid you are mad at me because I walked with Johnnie Nicholson yesterday to school, but it wasn't my fault at all. You know I love you, dearest boy, a thousand million times more than I could love Johnnie, and when you look cross at me it breaks my heart. Ain't you going to take me to the school picnic Saturday—'cause if you don't I can't go. I cried when I wrote this—that's why it's spotted. Don't make me cry any more, dearest boy."

The man looked at the letter for some time. His gaze softened and he sighed.

"That was the real thing," he murmured, and he carefully folded the letter and turned away.

And then the man's wife was sorry she had given the letter to the man.

Cheap Enough!

The flash of lightning that rips the sky from horizon to horizon looks beautiful—but, according to scientific calculations, is worth only about one dollar, in terms of modern central station service rates.

An Old Pear Tree.

A pear tree brought from England by Gov. John Endicott, of the Massachusetts Bay colony, in 1630, is still bearing fruit on the spot it was planted at Davenport, Mass.

Three Souls to Each Man.

Among the natives of South Africa there is a general belief in the split soul. One tribe believes in three souls—one in the head, another in the stomach, and a third in the big toe.
